

# LITTLE TOTS PLAY VILLAGE

Keeping Play Safe & Happy for Everyone

---

## Grown-Ups Stay & Supervise

- All children must be supervised at all times by their parent or legal guardian.
- We are a play village — not a childcare facility — so supervision remains your responsibility.
- Please keep your child within sight and reach at all times.

## Kind & Respectful Play

- Parents/guardians are responsible for their child's behaviour.
- We encourage sharing, kindness and gentle play.
- If a child is causing harm, distress or disruption, we may ask the parent/guardian to remove them from the play area.

## Looking After Our Village

- Please help your child treat toys and equipment with care.
- Any damage caused by a child is the responsibility of the parent/guardian.
- Repair or replacement costs may be required.
- In cases of serious damage, you may be asked to leave.

## Our Right to Refuse Entry

- Little Tots Play Village reserves the right to refuse entry or request departure if these guidelines are not followed.

---

Thank you for helping us create a safe, happy and welcoming space where little imaginations can grow and families can enjoy special moments together.
